

**BIG SKY CONCERTS FOR DVD RELEASE**

Cape Town rock 'n' roll band Big Sky's next two shows are to be filmed for a DVD concert release.

Staged by David Kramer and titled "Heart and Soul: Songs from the Desert, the City and the Road", the concerts will be held The Little Theatre on UCT's Hiddingh Campus, 37 Orange Street, on 31 October and 1 November.

STEVE LOUW

Big Sky frontman, singer/songwriter Steve Louw, says the shows will feature previously unheard material including a song cycle inspired by San mythology and the desert landscapes of the Northern Cape and Namibia. Of course fans can also look forward to a selection of tracks from the hit albums Trancas Canyon, Beyond the Blue, Going Down with Mr Green, Horizon and Waiting for the Dawn.

The concerts will include an acoustic "unplugged" set as well as a rocking electric set and feature musicians Willem Möller (guitar), Simon Orange (keyboards), Jacques Styne (bass), Tim Rankin (drums) and Rob "Big Bob" Nagel (blues harp). To book phone 021-480-7129

**LITTLE HEARTS MUSIC FESTIVAL**

Nothing beats the excitement of waking up on Christmas morning and receiving a special present from a loved one. Whilst discussing their future events, the guys and gals at iLoveMusic Entertainment tried to imagine what it would be like waking up to no presents on Christmas morning, let alone not having family to spend Christmas with. Quite often through all the festivities we forget about those who don't have anything, who aren't near their families or even those little children who are fighting for their lives and their last worry is a present nestled under a Christmas tree.

iLoveMusic Entertainment have decided to host a three day music festival, from December 5-7, to raise funds for three great charities.

In association with Heart Fm Radio Station they will be encouraging members of the public to visit the V&A Waterfront over the 3 days and donate toys and presents for all the kids at the Red Cross Children's Hospital, CHOC and Cotlands Baby House.

And while all of this is happening, some fantastic South African artists will be strutting their stuff at the amphitheatre all for a great cause!

Artists currently on the bill include Tasha Baxter, Josie Field, Goldfish, Hot Water, The Plastics, Strayplay, jacSharp, Louise Day Band, Julia Jakobsen, and many more.

Bookings are still open for bands, artists and dance groups. Submit your band by sending us an email with your band's details, incl. bio, links to website, etc, to [info@ilovemusic.co.za](mailto:info@ilovemusic.co.za) and your band could be sharing the stage with some of the bigger national artists at The Little Hearts Festival in Cape Town.
